Plaintiffs,

vs.

MARC M. MOSZKOWSKI

Defendant.

Case No.: 2018 CA 000543

Division: "E

**SUPPLEMENTAL DECLARATION REGARDING CASE MANAGEMENT  
CONFERENCE**

**COMES NOW** the Defendant, appearing Pro Se, and respectfully submits the following declaration for the purpose of clarifying his understanding of a matter discussed during the April 11<sup>th</sup>, 2025 Case Management Conference:

**Clarification Regarding Court's Efficiency Concerns**

During the recent Case Management Conference, Defendant respectfully understood the Court to express concern that, given the volume of cases and limited judicial resources, it might be inefficient to devote time to filings or hearings if Defendant were ultimately unable to appear in person at trial.

Defendant understands and appreciates the Court's administrative constraints.

However, as a foreign resident who did not initiate this litigation and who has participated continuously and in good faith for seven years, Defendant respectfully submits that the consideration and fairness due to filings and motions should not be conditioned upon the uncertain possibility of personal travel. Judicial resources are indeed finite, but fairness must remain constant.

Defendant makes this clarification solely to preserve his good-faith understanding of the record and out of respect for the Court's transparency.

Respectfully submitted this 4<sup>th</sup> day of April, 2025
