UNSWORN DECLARATION UNDER PENALTY OF PERJURY

In Support of Motion for Judicial Disqualification

I, **Marc Moszkowski**, declare under penalty of perjury under the laws of the United States and the State of Florida that the following is true and correct:

1. I am the Defendant in Case No. 2018 CA 000543, currently pending in the Circuit Court in and for Escambia County, Florida.
2. On March 2, 2022, in Case No. 2020 CA 001021, the Court entered an order granting Defendants' Motion to Dismiss but expressly stated that I had thirty (30) days to file an amended complaint.
3. Within that 30-day window, I filed:

- A **Motion to Compel** (March 14, 2022);
- A **Motion to Extend Time to Amend** (March 30, 2022);

4. Then, I filed:

- A **Response to Defendants' Motion for Entry of Final Judgment** (April 5, 2022);
- And an **Address to the Court** for the hearing scheduled on May 6, 2022.

5. None of these filings were ruled on. Instead, the Court entered a **Final Judgment of No Liability** on May 6, 2022—despite the absence of any adjudication on the merits of my 14-count complaint.

6. That same judge now presides over Case No. 2018 CA 000543, in which the same individuals appear as Plaintiffs, despite having withheld key information in the prior case.

7. I have a well-founded fear that I cannot receive a fair and impartial hearing before the current presiding judge, based on this documented history and the stark disparity in procedural treatment.

Executed on this 5th day of May, 2025.
