Plaintiffs,

vs.

MARC M. MOSZKOWSKI

Defendant.

Case No.: 2018 CA 000543

Division: "E"

**SUPPLEMENTAL DECLARATION OF DEFENDANT REGARDING THE  
NECESSITY OF FILINGS AND PRESERVATION OF DEFENSES**

I, Marc Moszkowski, hereby declare under penalty of perjury under the laws of the State of Florida that the following is true and correct:

1. I am the Defendant in the above-captioned matter. I appear Pro Se and reside outside the United States. I have no legal representation, and my financial means are extremely limited.
2. I am fully aware that the volume of my filings may be perceived as substantial. I sincerely regret any inconvenience this may cause the Court. However, each filing has been prepared in earnest, in response to issues raised by the Plaintiff or by the Court itself, and in an effort to ensure that my position is fairly understood and properly preserved.
3. My pleadings are not intended to disrupt, delay, or overburden the

proceedings. They are the only available means by which I may protect my rights, document the factual record, and respond to the persistent and (in my view) unfounded accusations made by the Plaintiff — accusations that have now extended over several jurisdictions and seven years.

4. Because I reside abroad, cannot travel easily, and do not possess the spoken fluency or legal training of counsel, my written submissions represent not an excess of advocacy, but the only form of advocacy realistically available to me.
5. I respectfully submit this declaration to reaffirm that my filings are made in good faith and out of necessity. I do not seek special treatment, only equal and constitutional treatment — the opportunity to be heard, to present my defenses, and to respond to what I believe to be serious misrepresentations and unsupported claims.
6. I further submit this declaration to ensure that the factual and procedural record remains clear for future reference, including any appellate review that may become necessary.
7. I remain committed to participating respectfully, diligently, and to the best of my abilities, within the framework of the law and the limits of my circumstance.

Executed this 7<sup>th</sup> day of April, 2025.

Respectfully submitted,

Marc Moszkowski, Pro Se
