INITIAL CASE MANAGEMENT ORDER – GENERAL

As outlined in Administrative Order 2021-12, the Court issues this case management order to facilitate the timely, fair, and effective resolution of this matter.

The initial complaint was filed August 10, 2020. Service and addition of new parties should be completed no later than 120 days from the filing of the initial complaint unless the Court grants an extension. Extensions shall not exceed a time period beyond 240 days from the date of the filing of the initial complaint.

Fact and expert discovery should be completed no later than 450 days after the initial complaint is filed.

Objections to pleadings and dispositive pretrial motions should be resolved within 45 days of the filing of said objections/motions.

Mediation should be completed no later than 450 days after the initial complaint is filed.

The projected trial date is set for Monday, August 1, 2022. A firm trial date will be ordered when the case is at issue pursuant to Florida Rule of Civil Procedure 1.440.

The schedule of deadlines herein will be strictly adhered to by the parties unless changes are otherwise agreed to by the parties and approved by the Court. The Court will consider a request to approve changes to these deadlines upon a showing of good cause by either party based on matters arising from an emergency or unanticipated unavailability. However, unnecessary delays in completing discovery or lack of planning for unavailability will not constitute good cause for a change to these deadlines. The failure to abide by these deadlines may result in sanctions.

If your case was filed before March 1, 2021, the filing date for purposes of this Order is March 1, 2021. In such cases, if the actual filing date is used, the order will automatically generate and include dates which have already passed.

Done and Ordered in Chambers in Pensacola, Escambia County, Florida.
