Re: Moszkowski v. Rumsey et al., Case No. 6:26-cv-06015-EAW
U.S. District Court, Western District of New York

Dear Clerk of Court:

Plaintiff respectfully submits the enclosed Amended Motion to Proceed *In Forma Pauperis*, in compliance with the Court's Decision and Order dated August 10, 2026 (Dkt. 8).

Plaintiff notes that the docket indicates the Clerk mailed him a blank IFP form motion with the Order. As Plaintiff previously advised the Clerk, ordinary postal mail is no longer delivered to his residence. Rather than await a form that may therefore not reach him, and in order to comply promptly with the Court's Order, Plaintiff has taken the liberty of completing the IFP form motion currently available on the Western District of New York's website.

The amended application answers each question and includes a continuation sheet for Question 8, for which the space provided on the form was not sufficient.

Plaintiff respectfully requests that the enclosed Amended Motion and continuation sheet be docketed and forwarded to the Court for consideration.

Respectfully,

Marc Moszkowski, Plaintiff, Pro Se

M. Moszkowski
